Summary

I am an avid learner willing to take new challenges and opportunities for the betterment of my career and experiences. I have a keen eye when it comes to design and aesthetics especially that my first real job involved a lot of graphics design where my sense of taste for design and art was tested. I am also a fan of programming, more specifically, programming in Python.

Experience

Game Programmer

Time Wizard Studios

Jun 2020 - Aug 2020 (3 months)
